

INDEPENDENT AUDITOR'S REPORT

To the Accountable Officer of the Property Services Group

Matters Relating to the Electronic Presentation of the Audited Financial Report

The audit report relates to the financial report of the Property Services Group for the financial year ended 30 June 2008 included on the Department of Infrastructure and Planning web site. The Accountable Officer is responsible for the integrity of the Department of Infrastructure and Planning web site. We have not been engaged to report on the integrity of the Department of Infrastructure and Planning web site. The audit report refers only to the statements named below. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report, available from the Department of Infrastructure and Planning, to confirm the information included in the audited financial report presented on this web site.

These matters also relate to the presentation of the audited financial report in other electronic media including CD Rom.

Report on the Financial Report

I have audited the accompanying financial report of the Property Services Group which comprises the balance sheet as at 30 June 2008, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and certificates given by the Director-General, Department of Infrastructure and Planning and the Executive Director, Financial Management, Department of Infrastructure and Planning.

The Accountable Officer's Responsibility for the Financial Report

The Accountable Officer is responsible for the preparation and fair presentation of the financial report in accordance with prescribed accounting requirements identified in the *Financial Administration and Audit Act 1977* and the *Financial Management Standard 1997*, including compliance with applicable Australian Accounting Standards (including the Australian Accounting Interpretations). This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with *Auditor-General of Queensland Auditing Standards*, which incorporate the *Australian Auditing Standards*. These Auditing Standards require compliance with relevant ethical requirements relating to audit engagements and that the audit is planned and performed to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement in the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control, other than in expressing an opinion on compliance with prescribed requirements. An audit also includes evaluating the appropriateness of

accounting policies and the reasonableness of accounting estimates made by the Accountable Officer, as well as evaluating the overall presentation of the financial report including any mandatory financial reporting requirements as approved by the Treasurer for application in Queensland.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

The *Financial Administration and Audit Act 1977* promotes the independence of the Auditor-General and QAO authorised auditors. The Auditor-General is the auditor of all Queensland public sector entities and can only be removed by Parliament.

The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

Auditor's Opinion

In accordance with s.40 of the *Financial Administration and Audit Act 1977* –

- (a) I have received all the information and explanations which I have required; and
- (b) in my opinion –
 - (i) the prescribed requirements in respect of the establishment and keeping of accounts have been complied with in all material respects; and
 - (ii) the financial report has been drawn up so as to present a true and fair view, in accordance with the prescribed accounting standards of the transactions of the Property Services Group for the financial year 1 July 2007 to 30 June 2008 and of the financial position as at the end of that year; and

Craig A Limkin
as Delegate of the Auditor-General of Queensland

Queensland Audit Office
Brisbane

Have your say

This Annual Report is part of the Department of Infrastructure and Planning's commitment to keeping people informed about what the department does and how it performs. The department welcomes comments and suggestions about the Annual Report 2007–08 content and presentation.
