

Glossary

Acronym/Initials	Definition
ACG	Assistant Coordinator-General
AL	Airport Link
ALG	Alliance Leadership Group
APMT	Alliance Project Management Team
APSDA	Abbot Point State Development Area
AWTP	Advanced Water Treatment Plant
CBRC	Cabinet Budget Review Committee
CEO	Chief Executive Officer
CG	Coordinator-General (corporate sole and concurrent role of Director-General)
DCG	Deputy Coordinator-General
DIP	Department of Infrastructure and Planning
ECM	Executive Council Minute
EIS	Environmental Impact Study
ELT	Executive Leadership Team
EMG	Executive Management Group
EPA	Environmental Protection Agency
EPBC Act	<i>Environmental Protection and Biodiversity Conservation Act (Commonwealth)</i>
EPI	Eastern Pipeline Interconnector
GCCC	Gold Coast City Council
GCDA	Gold Coast Desalination Alliance
GIC	Governor-in-Council
HDS ₃	Hinze Dam Stage 3 Project
IDAS	Integrated Development Assessment System
i-METT	Integrated Motorsport, Education, Tourism and Technology
IPA	<i>Integrated Planning Act 1997</i>
KPIs	Key Performance Indicators
LGAQ	Local Government Association Queensland
ML	Megalitre (million litres)
MOU	Memorandum of Understanding

Acronym/Initials	Definition
NES	National Environmental Significance
NET	Northern Economic Triangle
NPI	Northern Pipeline Interconnector
NRW	Department of Natural Resources and Water
PAA	Project Alliance Agreement
PCA	Pipeline Construction Agreement
PIP	Priority Infrastructure Plans
PMO	Program Management Office
PSG	Property Services Group
QCA	Queensland Competition Authority
QCH	Queensland Children's Hospital
QDC	Queensland Development Code
QPWC	Queensland Plumbing and Wastewater Code
QTC	Queensland Treasury Commission
QWC	Queensland Water Commission
QWI	Queensland Water Infrastructure Pty Ltd
RICS	Regulated Infrastructure Charges Schedule
SDA	State Development Area
SDPWOA	<i>State Development and Public Works Organisation Act 1971</i>
SEQ	South East Queensland
SEQGDC	South East Queensland (Gold Coast) Desalination Company Pty Ltd—trading as Sure Smart Water
SEQIPP	South East Queensland Infrastructure Plan and Program
Smart eDA	Smart electronic Development Assessment
SPV	Special Purpose Vehicle
SRWP	Southern Regional Water Pipeline
SSW	Sure Smart Water
TBM	Tunnel Boring Machine
TOC	Target Outturn Cost
TOR	Terms of Reference
WCRWP	Western Corridor Recycled Water Pipeline
WIPB	Water Infrastructure Project Board
WPPC	Water Pipeline Procurement Centre
ICT	Information and Communication Technology
IDAS	The Integrated Development Assessment System provided by the <i>Integrated Planning Act</i> (IPA) for use by state and local governments to consider and decide on development applications. IDAS ensures greater efficiency of processing and integrates approximately 60 previously separate approval systems into a single system
IPA	The <i>Integrated Planning Act 1997</i> (IPA) is the principal legislation for the management and control of urban and regional planning within the State. Among other things it provides the authority and guidelines for local governments in Queensland to prepare and operate a planning scheme to control and manage development in their areas, and provides the authority for councils to form Regional Planning Advisory Committees (RPACs), and Regional Organisational of Councils (ROCs)
LGAQ	The Local Government Association of Queensland is the peak representative body for all Queensland's councils
VER	Voluntary Early Retirements
