

Glossary

Term	Description
Administrative arrangements	Administrative Arrangements Orders set out the principal responsibilities of government ministers and their portfolios.
Community hub	<p>A community hub is typically a collection of facilities clustered together on the same or adjoining sites to form a focal point for activities. Hubs can include facilities and services supporting:</p> <ul style="list-style-type: none"> • sport and recreation • health and well being • education and learning • community services • public transport and active transport nodes • commercial spaces and offerings • cultural amenities • open spaces. <p>The same integrated service benefits for clients and communities can be achieved through a ‘virtual’ hub, where services and functions are connected and delivered collaboratively even when services are located separately.</p>
Community partnership	A community partnership is a commitment to a shared approach to the planning and delivery of services and facilities across a geographical area.
Environmental Impact Statement	An environmental impact statement is a document prepared to describe the potential impacts of a proposed activity on the environment. An EIS describes the impacts and documents ways to avoid, minimise or mitigate potential negative impacts of a project.
Integrated resort developments	<p>An integrated resort development is a high-quality, mixed use destination aimed at providing tourism, leisure and entertainment facilities that appeal to as broad a demographic as possible, including the international market. An integrated resort development could include:</p> <ul style="list-style-type: none"> • iconic architecture with expansive high amenity public realm • five or six star hotels • arcades, pools, salons, gyms and other recreational facilities • meeting and conference spaces • tourist attractions including maritime museums and aquariums • theatre and convention facilities • cinemas • boutique retail • bars • celebrity chef restaurants.
Priority Development Area	A priority development area is a site declared by the state government to facilitate the development of land in Queensland for economic development or community purposes.
State Development Areas	State development areas are clearly defined areas of land—for industry, infrastructure corridors and major public works—established to promote economic development in Queensland.

	Development in these areas is overseen by the Coordinator-General.
Terms of reference	Terms of reference describe the purpose and structure of a project, committee, meeting, negotiation or any similar collection of people who have agreed to work together to accomplish a shared goal.
Whole-of-government	Whole-of-government is a term used to refer to all Queensland Government departments and agencies.
