Reference is made to your change application for an SDA approval (APC2017/010) for an MCU of premises for air services and utility installation (airport) in the Galilee Basin SDA. In accordance with sections 84E and 84F of the *State Development and Public Works Organisation Act 1971*, the Coordinator-General has approved in part your change application, subject to conditions. Condition 21.1 has been deleted in its entirety as it is no longer relevant to managing impacts of the development, and the currency period has been extended until 23 December 2025 (a further two years).
