

CORPORATE ENVIRONMENT POLICY

AMCI (Alpha) Pty Ltd (AMCI) is committed to conducting its business in a safe, environmentally sound and ecologically sustainable way.

We will endeavour to minimise our environmental footprint through the application of recognised Ecologically Sustainable Development practices and adaptive management.

Accordingly, business activities will be planned and undertaken to minimise and where practicable, avoid, adverse impacts on the natural and social environment for the benefit of current and future generations.

Our Environmental Objectives

In implementing this policy we will:

- ensure that environmental considerations form part of our business planning and decision-making processes;
- promote a culture of responsible environmental management;
- protect the natural and social environment and preserve biodiversity;
- minimise pollution and waste;
- comply with applicable environmental legislation and Environmental Management Plans and aspire to higher standards within the business;
- continually improve our environmental performance;
- communicate openly and transparently with stakeholders on environmental matters; and
- engage the community in environmental initiatives aligned with our business values.

Our Environmental Responsibilities

Environmental leadership and adherence to this policy is the responsibility of all AMCI employees, contractors, suppliers and vendors.
