Application for evaluation of environmental effects of proposed change to the North Galilee Basin Rail Project – Change Request 1

Dear Mr Broe,

Carmichael Rail Network Pty Ltd as trustee for the Carmichael Rail Network Trust (CRN) is the proponent for the subject application for evaluation of environmental effects of proposed change to the North Galilee Basin Rail Project Coordinator-General's Evaluation Report on the Environmental Impact Statement (CG's Report).

CRN is the proponent proposing to develop the Carmichael Rail Project (the Project). The Project consists of two coordinated projects:

- The SP1 rail component of the Carmichael Coal Mine and Rail Project; and
- The North Galilee Basin Rail Project (NGBR Project).

CRN acknowledges that the proponent for the coordinated projects aforementioned is Adani Mining Pty Ltd. However, for this Change Request 1 application, the proponent is CRN and it applies to the NGBR Project.

The CG's Report was approved in August 2014. Since the approval of the CG's Report, the physical extent of the NGBR Project continues to be refined as the project progresses through the detailed design. As a result of design optimization, please find attached Change Request 1 as per Section 35C of the *State Development and Public Works Organisation Act 1971* (SDPWO Act).

Also, it is requested that an invoice is generated for the application fee, made out to the proponent being "Carmichael Rail Network Pty Ltd as trustee for the Carmichael Rail Network Trust" for the amount of \$10,708,

Dear Access refus

Thank you for your letter of 23 April 2018 to the Coordinator-General providing written notice that the Carmichael Coal Mine and Rail (CCMR) project now has joint proponents.

I am writing on behalf of the Coordinator-General to confirm receipt of the written notice made under section 27AE of the *State Development and Public Works Organisation Act 1971* to change the proponent for the CCMR project.

I acknowledge that the CCMR project will now be jointly delivered by Adani Mining Pty Ltd and Carmichael Rail Network Pty Ltd as trustee for the Carmichael Rail Network Trust. Regardless of the revised project delivery arrangement, the CCMR project must continue to be undertaken in accordance with the stringent conditions stipulated in the project's Coordinator-General's evaluation report dated May 2014.

If you require any further information, please contact Ms Sonya Booth, Executive Director, Coordinated Project Delivery, Office of the Coordinator-General, Department of State Development, Manufacturing, Infrastructure and Planning on 3452 7433 or sonya.booth@coordinatorgeneral.qld.gov.au, who will be pleased to assist.

Dear Mr Broe,
