PLANNING SCHEME
OVERLAY MAP - COMMUNITY ACTIVITIES
AND NEIGHBOURHOOD HUBS

- Property boundaries
- Community activity
- Neighbourhood hub

Please read the following notes about this map:
 This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

- Community activities include, but are not limited to:
- libraries, museums and art galleries
 - community centres, clubs and the like
 - educational establishments including schools, kindergartens and tertiary institutions
 - child care centres
 - community care centres
 - places of worship
 - emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

Overlay Map

**PLANNING SCHEME
OVERLAY MAP - COMMUNITY ACTIVITIES
AND NEIGHBOURHOOD HUBS**

- Property boundaries
- Community activity
- Neighbourhood hub

Please read the following notes about this map:

This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

Community activities include, but are not limited to:

- libraries, museums and art galleries
- community centres, clubs and the like
- educational establishments including schools, kindergartens and tertiary institutions
- child care centres
- community care centres
- places of worship
- emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

PLANNING SCHEME
OVERLAY MAP - COMMUNITY ACTIVITIES
AND NEIGHBOURHOOD HUBS

- Property boundaries
- Community activity
- Neighbourhood hub

Please read the following notes about this map:

This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

Community activities include, but are not limited to:

- libraries, museums and art galleries
- community centres, clubs and the like
- educational establishments including schools, kindergartens and tertiary institutions
- child care centres
- community care centres
- places of worship
- emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbrclplanningscheme) or contact council on 3205 0555.

For State Approval -

- Neighbourhood hub

Please read the following notes about this map:
 This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

- Community activities include, but are not limited to:
- libraries, museums and art galleries
 - community centres, clubs and the like
 - educational establishments including schools, kindergartens and tertiary institutions
 - child care centres
 - community care centres
 - places of worship
 - emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbr/planningscheme) or contact council on 3205 0555.

Overlay Map**

**PLANNING SCHEME
OVERLAY MAP - COMMUNITY ACTIVITIES
AND NEIGHBOURHOOD HUBS**

- Property boundaries
- Community activity
- Neighbourhood hub

Please read the following notes about this map:

This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

Community activities include, but are not limited to:

- libraries, museums and art galleries
- community centres, clubs and the like
- educational establishments including schools, kindergartens and tertiary institutions
- child care centres
- community care centres
- places of worship
- emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

**PLANNING SCHEME
OVERLAY MAP - COMMUNITY ACTIVITIES
AND NEIGHBOURHOOD HUBS**

- Property boundaries
- North Lakes Locality
- Community activity
- Neighbourhood hub

Please read the following notes about this map:

This overlay map only affects you if your property is identified as a Community Activity or Neighbourhood Hub, and you wish to develop (e.g. build, extend or change use).

This map shows locations of community activities and neighbourhood hubs in the General residential zone, Rural residential zone, Emerging community zone and Industry zone.

Where land is identified on this map, some retail, commercial and community uses may be supported and alternative levels of assessment (type of application) and alternative requirements may apply to development.

A neighbourhood hub is a cluster of non-residential uses, for example a shop, office, café, hardware store and dry cleaner.

Community activities include, but are not limited to:

- libraries, museums and art galleries
- community centres, clubs and the like
- educational establishments including schools, kindergartens and tertiary institutions
- child care centres
- community care centres
- places of worship
- emergency services

This overlay map assists with interpreting tables of assessment in Part 5 and applying development requirements throughout the planning scheme.

Refer to the relevant table of assessments and zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Community activity and Neighbourhood hubs information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.
