Hi Nathan and Alyssa,

As you are aware, the Coordinator-General has received a request from Adani to change the proponent to Carmichael Rail Network Pty Ltd.

Before accepting this change and sending an acknowledgement letter, Sonya has requested we pass this by LAPD and SDAD to identify if this would create any legal, compliance or operational issues for LAPD or SDAD.

A quick meeting should be all that is required. We will advise of a suitable meeting location first thing on Monday.

Many thanks
Sam and the team

Confirmation of change of proponent for the North Galilee Basin Rail Project Coordinator-General's Evaluation Report

Dear Mr Broe,

Adani Mining Pty Ltd (Adani) is aware that Carmichael Rail Network Pty Ltd as trustee for the Carmichael Rail Network Trust (CRN) has submitted to your Department an application for evaluation of environmental effects of proposed change to the North Galilee Basin Rail Project Coordinator-General's Evaluation Report on the Environmental Impact Statement (Change Request 1). Adani acknowledges and confirms that the proponent for that application is CRN and it applies to the NGBR Project.

Dear Refused under sect

Thank you for your letter of 27 March 2018 to the Coordinator-General providing written notice that the proponent for the North Galilee Basin Rail (NGBR) project has changed.

I am writing on behalf of the Coordinator-General to confirm receipt of the written notice made under section 27AE of the *State Development and Public Works Organisation Act 1971* to change the proponent for the NGBR project.

I acknowledge that Adani Mining Pty Ltd is no longer the proponent for the NGBR project. I also acknowledge that Carmichael Rail Network Pty Ltd as trustee for the Carmichael Rail Network Trust is now the sole proponent for the NGBR project.

If you require any further information, please contact Ms Sonya Booth, Executive Director, Coordinated Project Delivery, Office of the Coordinator-General, Department of State Development, Manufacturing, Infrastructure and Planning on 3452 7433 or sonya.booth@coordinatorgeneral.qld.gov.au, who will be pleased to assist.

Hi Kate and Adam,

Please note the updated proponents for the Carmichael Coal Mine and Rail project are:

- Adani Mining Pty Ltd
- Carmichael Rail Network Pty Ltd (to the extent of the rail infrastructure).

We are working on responding to these letters (once they are in the Source for actioning). Following that, we will update our website.

Additionally, Adani Mining Pty Ltd are no longer the proponent for the North Galilee Basin Rail project. This has been taken over by Carmichael Rail Network Pty Ltd. We are also working on sending response letters and updating the website for this project.

Thanks Sonya,

I have made your requested change in the attached version.

Corinne – Can you please progress the attached NGBR webpage update. The timing is not urgent so later today or early next week would be appreciated.

Many thanks

Hi Karen,

Attached, **for your review**, is the web update form for the North Galilee Basin Rail project, indicating a proponent name change.

Note the acknowledgement letters were sent yesterday to the proponent, so this one is ready to progress now.

Also note there is a minor deletion in the form to ensure consistency with the rest of the page.

Thanks, Sam and Rose, for your work on this.

Kind regards,

Thanks heaps, Sam.

I'll hold onto sending to Karen until it's time.

Great strategic thinking suggested change on ensuring consistency with remainder of the section.

Heather,

See attached web update for the NGBR project change of proponent.

I'll send through the withdrawal of change application acknowledgement letter for approval in a moment.

Cheers
